Re: **City v GRAY, Ishaan Thomas**  
**Case # 5240155856 | Courtroom 301 | 07/10/2024 at 08:30 AM**

The Seattle City Attorney's Office has received a request for discovery for the above-named defendant. The Infraction Rules for Courts of Limited Jurisdiction (IRLJ) 3.1(b) provides discovery as, the citing officer's sworn statement(s), the incident report containing the names of any witnesses not listed in the citing officer's sworn statement if it is part of the record. Attached: **4A0431237**.

A request for interrogatories or admissions is not authorized under the Infraction Rules for Courts of Limited Jurisdiction and thus, a response is not required. See IRLJ 3.1(b).

If you are requesting a copy of the IRLJ 6.6 Certification concerning design and construction of electronic speed measuring devices, you may contact the Seattle Municipal Court Records Department where the certificates are on file and are made available upon request. The City's LIDAR speed measuring device expert is Officer Elmer Cason, Seattle Police Department Traffic Section, 610 Fifth Avenue, PO Box 34986, Seattle, WA 98124-4986, (206) 684-8722.

If your notice of infraction indicates that a video, audio or photograph(s) was made of the incident, you may obtain a copy by sending a written request for a copy to the Seattle Police Department Legal Unit, PO Box 34986, Seattle, WA, 98124-4986. Such requests can also be made via fax to the SPD Legal Unit at 206-684-7047 or dropped off at SPD Headquarters at 610 5<sup>th</sup> Ave, Seattle, WA.

Traffic Camera violations can be viewed online at [www.violationinfo.com](http://www.violationinfo.com). You must have the PIN number provided on the Notice of Violation to view the images. You may go to any Seattle Public Library or the Seattle Municipal Court to view the images if you do not have a computer.
